Why Start A Career In Teaching

Teaching is a rewarding, exciting and fulfilling profession.

By bringing your skills and knowledge to the classroom, you can make a real difference to the lives of young people.

Every day you are able to share your enthusiasm for learning so that it will inspire others to realise their potential and to discover their talents.

Teachers shape the lives of future generations. This is an exciting prospect for all teachers and despite some challenges, it remains the most rewarding and deeply satisfying career.

Teaching salaries are competitive and there are many opportunities for professional development, career progression and travel. Generous holidays allow you to pursue your hobbies and interests, travel and spend time with family and friends.

Who Are Carmel Teacher Training Partnership?

Our Initial Teacher Training takes candidates under the School Centred Initial Teacher Training (SCITT) and School Direct programmes and provides a great alternative to training through a university. Because our training is school based, we provide you with practical, job based learning from the minute you start on the programme.

As you are working in a school, you are also much more likely to get a job at the end of your training. In fact, over 90% of our trainees go on to secure a teaching role.

At CTPP, we have been inspiring the next generation of teachers for over 19 years and now provide Initial Teacher Training to approximately 100 trainees every year.

We now work with 7 lead schools throughout the North East, successfully training primary and secondary teachers in all subject areas.

We are based in one of the top performing schools in the country and pursue excellence in all we do. We value each individual and ensure each trainee can achieve their full potential.

Why Train With Carmel Teacher Training Partnership?

Carmel Teacher Training Partnership (CTTP) is based at Carmel College Darlington, which is an outstanding 11-18 Catholic Academy working with many schools across the North East.

We are a well-established, independent, accredited provider of school-centred teacher training. In November 2018, we were awarded 'Outstanding' status by Ofsted proving the overall quality of teacher training we offer each academic year. We offer a bespoke training programme which meets the individual needs of trainees in both primary and secondary schools.

The CTTP programme aims to promote excellence in all aspects of education through focused central and school-based training activities. Trainees are based in our Partnership schools for the duration of the programme. Our ultimate goal is to develop skilled, reflective and creative practitioners who will enthuse and inspire future generations.

10 Reasons To Choose Us

- 1 We've been training teachers for over 19 years - our experience and reputation is second to none.
- 2 You'll train with an 'Outstanding' provider. We have been awarded 'Outstanding' status by Ofsted (November 2018), proving the overall quality of Teacher Training we offer each academic year.
- 3 More than 90% of our trainees consistently go on to secure a teaching post; often being offered a teaching job in the school in which they trained.
- 4 We have an extensive support system which ensures that all trainee teachers reach their true potential.
- 5 We know that no two trainees are the same - we treat each one as an individual and provide trainees with a training programme that is tailored to their specific needs.
- 6 Learning on the job. Because our training is school based, you'll learn from outstanding professionals.
- 7 Your mentor is a dedicated professional who will help you every step of the way.
- 8 You'll train in excellent schools across the North East of England.
- 9 You'll achieve a PGCE qualification through St Mary's University, Twickenham, London.
- 10 As a teaching school we support and train teachers from ITT to NQT: middle leadership, senior leadership, headship and beyond.

“A Teacher is a
compass
that activates the magnets
of curiosity,
knowledge
and wisdom
in the pupils.”

– Ever Garrison

Our Training Programme

Primary (5 -11 years) Secondary (11-16 years)

CTTP delivers PGCE in conjunction with St. Mary's University, Twickenham, London.

Training for the programme takes place in geographical clusters across the North East of England.

Programme Content:

General Professional Studies: Professional Role of a Teacher; Safeguarding; Behaviour for Learning; SEN(D); EAL; Literacy across the Curriculum; Assessment, Tracking, Pupil Progress; Data; Equality and Diversity.

Subject Specialism Pedagogy and Subject Knowledge.

Masters (MA) Modules delivered by St Mary's University's 'Flying Faculty' in Newcastle Upon Tyne and Darlington.

The CTTP Programme ensures that our trainees receive quality support on their journey to achieving a PGCE. Every school involved in the Partnership and training has experienced classroom practitioners who take great pride in supporting and training exceptional, highly motivated teachers of the future.

Primary Trainee - Leanne Elgie

"I cannot recommend the SCITT course through CTPP highly enough. I believe the holistic and hands-on approach of the course has fully prepared me for my NQT year. Throughout the year I received invaluable, practical advice from other teachers, mentors, the experienced practitioners who conducted our training, professional tutors and partnership link tutors. The opportunity to work with highly skilled and experienced teachers throughout my main and second school teaching placement has provided me with a toolkit of teaching strategies and ideas which I will use throughout my teaching career. Although the training year was challenging and stressful at times, the support I received and the opportunity to work within such a meaningful, enjoyable profession has made it all worthwhile."

Case Studies

Secondary Trainee - Hayley Martin

"If you are looking for the best programme to prepare you to teach, CTPP is the programme for you. I cannot recommend the SCITT course through CTPP highly enough. As an NQT I now feel fully prepared to tackle the year head on, and I believe this is due to the intense but fantastic year I have just completed. The variety of expert training delivered, along with invaluable advice from other teachers, mentors, professional tutors and partnership link tutors is remarkable. During the course, I was given the opportunity to observe teaching in a primary, secondary and sixth form setting, allowing me to gain a well-rounded view of the education system. I have made not only great professional relationships with colleagues, but great friends along the way. CTPP allows you to build supportive networks with other trainees across a multitude of subjects, and although the course is stressful and demanding at times, the preparation for teaching is incomparable."

Funding, Bursaries & How To Apply

Funding & Bursaries

As an accredited provider, national support for maintenance and fees are available. The cost of the ITT course is £9000; applicants are able to apply to Student Loans Company to cover the costs of tuition.

All national scholarships and bursaries are available to applicants, national conditions apply. Please visit www.getintoteaching.education.gov.uk for more information.

How to Apply

We are unable to take applications directly from candidates; applicants must use the UCAS system to do so. You have a choice of applying to Carmel itself as a school or a training provider; or you can apply to one of our lead schools. You can apply online at www.ucas.com/apply/teacher-training.
