

## Safeguarding and Safer Recruitment at CTTP – summary information

Carmel Teacher Training Partnership is committed to the safeguarding of children and young people. Please be aware that we undertake the following Safer Recruitment checks on all applicants to our teacher training programme:

- Identification checks
- Enhanced DBS clearance, including the children's barred list
- Self-declaration ( in relation to the Children's Act 2006 )
- Qualification checks
- Health and fitness checks
- Right to work in the UK clearance, as appropriate
- Criminal Records checks for overseas students
- Additional checks where student has worked or lived outside the UK
- Relevant references received prior to entry onto the programme
- Checks against previous relevant employment

Our trainees also undertake, and must pass, Level 1 Safeguarding and Level 1 Prevent training during their Central Training Induction during the first week of their course.

They also undertake relevant School Based Training in their placement school during their first day in school as well as any school based CPD linked to Safeguarding and Prevent updates, as members of their school community.
